

**Please note:**

1. These lists are not exhaustive.
2. Don't assume that the canned and dry versions of a food will be similar in nutrient content.
3. Different flavors or varieties of the same product can be very different in nutrient content. If list specifies a flavor, it refers to that flavor and specific product only.
4. Information updated **Fall 2021**. Nutrient content of diets can change so check back regularly for up-to-date information (or check with the manufacturers).
